

CALIFORNIA STATE ASSEMBLY

**ASSEMBLYMEMBER EDUARDO GARCIA
Invites You To A
HEARING**

**Of the
Assembly Select Committee on Intellectual and
Developmental Disabilities**

WITH CHAIR ASSEMBLYMEMBER JIM FRAZIER

Friday, May 17, 2019

5:30 pm -8:00 pm

Coachella Public Library

1500 6th Street, Coachella CA 92236

The meeting is a listening session, and is free and open to the public. If you are a member of

the I/DD community, this is your chance to talk directly to members of the Legislature about your needs, your experiences with the Regional Centers and anything else you think state lawmakers should know.

With the closure of the Developmental Centers and the state moving away from institutional living, it is imperative that the Legislature pay close attention to how Californians with I/DD are being served in their communities and by the state.

For more information, or if you need special accommodation to attend, call the office of Assemblymember Eduardo Garcia at 760-347-2360.
